RE: 2012 Amended Pre-General Report

Attached, please find an amended 2012 Pre-General report which serves to correct several errors discovered while reconciling the account.

1. The joint fundraising committee transfer sub-itemizations are now listed immediately beneath the corresponding transfer.
2. Several contributions were erroneously dated for 10/17/12 after the report was filed and therefore were not included in the original report. Most were unitemized except for the following:
 - Jack Stauder - \$50
 - John Hersker - 50
 - Bill Maguire - \$100
3. Several unitemized disbursements were erroneously input into our system twice. These were deleted and therefor the total disbursements is \$131.71 lower.

Please let me know if you have any question.
